Speaker

MEEP 2025

KKL LUCERNE, 2 – 4 July

CLAUDIO AVIGNONE ROSSA

Professor of Systems
Microbiology

Department of Microbial
Sciences, Faculty of Health
and Medical Sciences,
University of Surrey

It's not who you are, it's what you do:
The nexus between composition and electroactivity
of microbial communities in microbial fuel cells for
bioremediation and depollution (M0901)

TALK TITLE

It's not who you are, it's what you do:
The nexus between composition and electroactivity of microbial communities in microbial fuel cells for bioremediation and depollution

ABOUT

He obtained his BSc degree in Chemistry (1987), followed by a Licentiate Degree in Biochemical Sciences (1989) and a PhD in Biochemical Sciences (1994) at the University of La Plata (Argentina). In 1994 he was appointed Associate Professor of Biotechnology at the University of Quilmes (Argentina), and from 1995 to 1999 he was Research Officer of the Microbial Physiology Group at the University of Amsterdam. Since 1999 he has been Professor of Systems Microbiology at the University of Surrey. Are you interested? Learn more about this presentation and the symposium – and join us!
