Speaker

MEEP 2025

KKL LUCERNE, 2 – 4 July

**JULEA
BUTT**

**Professor of Biophysical
Chemistry**

University of East Anglia

**Multiheme Cytochromes Engineered
for New Chemistry
(M0103)**

TALK TITLE

Multiheme Cytochromes Engineered for New Chemistry

ABOUT

Julea Butt is a Professor of Biophysical Chemistry at the University of Norwich, UK. Her research focuses on integrating enzymes with electrodes and synthetic light-harvesting materials to inspire innovative biotechnological devices, such as electronic materials and semi-artificial photosynthesis systems.
